such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

§ 1803.8 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Foundation shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§ 1803.9 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Foundation. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

(2) When the Foundation communicates with applicants and beneficiaries by telephone, the Foundation shall use, for persons with impaired hearing, a telecommunication device for deaf persons or equally effective telecommunication device.

(b) The Foundation shall take appropriate steps to provide individuals with handicaps with information regarding their section 504 rights under the Foundation's programs or activities.

(c) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraphs (a) and (b) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all Foundation resources available for use in the funding and operation of a conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.
